

THE STORY

There was a four-way tie for class clown! The four finalists were Connie, Carol, Cliff and Charles. It was decided that a series of contests should be held to determine the child who would hold the title of class clown. In the first contest, the four finalists all had to act like a different animal; they clucked like a chicken, barked like a dog, honked like a goose and mooed like a cow. In the second contest, they all had to eat something disgusting; they ate beetle butter, pickled pigeon, fish fudge and bat brats. In the third contest, they all had to paint themselves blue, hop up and down on one foot, and sing a song with a paper bag over their heads. They sang "Fox Hound," "Yellow, Yellow," "La Toad" and "Hippo Hotel." And after all that, the winner was chosen by having his or her name pulled out of a hat. Based on the clues, match the children with the animals they acted like, the disgusting foods they ate and the songs they sang.

THE CLUES

1. The chicken-clucking candidate ate beetle butter and sang "Yellow, Yellow."
2. The candidate who sang "La Toad" barked like a dog.
3. The candidate who ate fish fudge mooed like a cow.
4. Cliff and Charles did not either honk like a goose or moo like a cow.
5. The candidate who ate pickled pigeon was the singer of "Hippo Hotel."
6. Connie did not sing "Fox Hound," and Cliff did not eat bat brats, although he thought they looked delicious.

THE STORY

One day, four pigs named Hiram, Hilda, Hank and Heloise went to a county fair. While at the fair they each went on a different ride. The rides were the merry-go-round, the Ferris wheel, the roller coaster and the bumper cars. Being very competitive, as pigs usually are, they all entered a different contest. They competed in a pie eating contest, a seed spitting contest, the ring toss and a dart throwing contest. After the contests, all the pigs were hungry so they went to lunch, and they all ordered something different. They ordered a hot dog, a hamburger, a Polish sausage and a pizza. Based on the clues, match the pigs with their rides, their contests and their food.

THE CLUES

1. The pig that rode the bumper cars was the same pig that ate a hamburger and was in the ring tossing contest.
2. The pig in the seed spitting contest ate a Polish sausage.
3. Hilda thought the pig that rode on the merry-go-round looked extremely silly, and she wished that she had the courage to ride the bumper cars. But she did not.
4. Hiram liked the merry-go-round, but he did not ride it that day.
5. Hank and Heloise did not eat either a hot dog or a hamburger that day.
6. Heloise was too refined a pig to enter a seed spitting contest!
7. The pizza-eating pig threw darts and also thought the pig on the merry-go-round looked silly.
8. The hot dog-eating pig did not ride on the roller coaster.
